February 2018

Greetings WAL Members

Hope everyone is enjoying this incredibly mild winter!

Please note that we made a change to our meeting date to February 16th, Friday at 5pm. We had a number of conflicting schedules for the original Feb. 9th date so we hope this works better for everyone.

As many of you know, our Miniature Show is off to a great start and we encourage everyone to go check it out at the Willcox Chamber of Commerce and Agriculture/ Visitor Center 1500 N. Circle I Rd. Viewing hours Monday - Friday 8am to 5pm, closes for lunch from 12 - 1pm, Saturday 8am to 4pm closes for lunch 12-1pm, Sunday Closed.

Miniature Show Winners

Going on through the entire month of February, is our annual Miniature & Small Works Art Show and it's once again an exceptional exhibit of mini masterpieces! We have 38 participants, from 14 states + Australia with a total of 108 entries. Our judge this year was Glenn Renell, who took his time deciding the winners - not an easy task! He was very impressed with the quality of work in the show and gave a great critique after judging. We've had multiple sales already which is exciting and hopefully a good sign for another successful show! Please go see it if you can... address is: Willcox Chamber of Commerce 1500 N Circle I Road. Here is your winners list...

Thank you to all of our volunteers who helped with the show!! Congratulations to all of our winners!!
