Or bring something you need help with to the meeting.

Dave Ottens likes to open an art library. Peggy had hundreds of art books and in her memory you can borrow them. Just contact Dave if you have any questions.

We have Art in the yard coming up September 25. see attached flyer, fun casual show in my backyard with 6 Artists who show and have their work for sale. 1 mile from Apple Annie's produce farm and 6 miles from the orchard. Also 6 miles from Briggs and Eggers organic Apple farm. So come see us!

Wine festival October 16-17 we rented the Palace again. If you like to show and sell your art let me know asap so we can figure out how much space you need. Same rule as ever you have to be there for the 2 days of the wine festival no exceptions.
Setup Friday afternoon.

The city is going to form an art commission with members from the city, theater, art league and community. We know more about that with the next meeting.

So we are still alive and standing. If you have any ideas don't hesitate to let us know.
