Message from the President

Wishing everyone a very happy and artsy New Year. It is going to be an exciting year with the miniature and spring shows coming up. Also, we have the use of wall space in the theater. These first few weeks, several members have their art hanging. After this exhibit, there will be a featured artist each new cycle. Louise Walden is in charge of this project. If anyone has new ideas for the Art League, feel free to discuss them at the meetings or contact us. Hope to see you on Wednesday!

REMINDER: 2 Opportunities just for WAL members!

Each member may have their own page on the WAL website to exhibit their work along with a short bio and sales information. Check out the member pages on our website www.wilcoxartleague.com/members.shtml

Hanging your work on the Art League racks at the Chamber of Commerce is a great opportunity to show and sell your artwork as thousands of people visit each year. Keeping your work small will entice people to impulse buy as it won't take up much room in a packed car. Consider using local themes that are unique to this area.
