PRESIDENT'S MESSAGE AND AGENDA from Lisa Glenn

What a terrific show! Thanks goes to all Art League members who worked so hard to make this show such a success! The art work and photos were fantastic, the reception was incredible- good food and good music, we had a great turnout and we sold art work and photos! A pat on the back to everyone! Many good things were said about the event, and we are indeed grateful for all the community support.

Now is the time to think about moving forward for next year. Over the summer we need to think about ways of improving the show, but also are there things we want to change, things we want to stay the same, are there ways in which we might be able to pull in a larger majority of our members to do the work necessary to accomplish all that goes into making this show such an outstanding event. Do we want to continue to have the art show in conjunction with the wine festival, do we get more sales because of the people from out of town, is that an important consideration, or do we want to consider a different month or time frame, a

different format or even a different type of art show? This event belongs to all of the members, and all of the members are needed to make it happen.
