President's Message Bill Nolan

The Miniature Show at the Chamber of Commerce ended on Friday. I hope you all had a chance to get by and see it. As usual, there were some amazing works. Plans are proceeding for our big, spring show, and we will have entry forms available at our March meeting. Soon it will be time for EVERYONE to get out and get donations to support the show. Sponsors are what make prizes possible, and we need everyone to help. Last year only a few did most of the work on that.

The other thing we should push when we can is membership. Our membership is pretty stable, but has not been rising, either. Think about your friends and try to get them to attend a meeting. Offer to buy them lunch. Maybe they will want to get involved! You won't know unless you ask.

As always, if you want anything on the agenda, get it to me by the Monday preceding our meeting, and I will be sure to add it. I hope to see all of you at our meeting.

March artist of the Month - Clement Scott

The Willcox Art League Artist of the Month for March is Clement Scott. Clement lives in Benson Arizona. His professional training and heritage qualifies him as an amazing addition to Southwest Arizona's art scene.

Clement's work has been featured in numerous shows around Arizona and he has been featured in Southwest Art Magazine.

While Clement paints portraits and landscapes, his focus is primarily on western art. Clement also finds time to lead workshops and recently taught one in the Willcox area. He has a website on which he communicates upcoming workshops. Clement's work will be shown at Western Bank, 200 Rex Allen Drive, the month of March. A reception for the artist will be held on March 12 after the Art League Meeting.
