

July 2018

Greetings Art League Members!

As you know, we are currently in the middle of our Summer break and will be returning soon in September. We are preparing for some big changes this year and we thought we would share now so you can mark your calendars!...

For the Love of Art

Willcox Art League || Studio 128

September 1, noon - 3pm at Studio 128

The Willcox Art League is excited to be partnering with the Studio 128 in launching a new program called 'For the Love of Art' open to all art lovers and members of the Willcox Art League. On Saturday, September 1 starting at noon, the program begins with a meet and greet. Bring art projects to work on, whatever your medium! For those interested there will also be an informal critique time to get feedback on your works. This will be a great time to interact with like minded creatives in our community, including our youth, and to enjoy the spirit of art & creativity!

Everyone is welcome!

(Free entry - donation at the door)

We are planning on a twice a month program which will take the place of our previous monthly meeting and include time for classes, demonstrations, films, and much more. We have chosen Saturday afternoons for this program which hopefully allows for more of our members to participate, including our youth! This will not be exclusive to the Willcox Art League, everyone will be welcome!

Of course we are open to any and all input you may have for this program...please feel free to share ideas! We will still hold a regular meeting as well, with all officers present and any members who wish to attend. We felt that it's been long overdo to provide a more creatively inspiring time for us to gather and connect.

See you in September!
